Surrealism

Foreyever lancia "Surrealism" la nuova collezione ispirata al movimento artistico nato negli anni '20 a Parigi.

I nuovi modelli di Foreyever Surrealism - chiamati come 4 dei maggiori esponenti del periodo - si contraddistinguono per le immagini nitide e i colori reali ma accostati tra di loro senza alcun nesso logico.

Vogliono esprimere una realtà trascendentale fatta di irrazionale e di sogno, che permette di vivere senza freni inibitori e scopi prestabiliti.

Una realtà onirica che non accetta nessuna forma di razionalità cosciente ma che dà accesso solo a ciò che sta oltre il visibile.

FOREYEVER®

EYE SEE

EYE SEE è la nuova Collezione di Foreyever® che come sempre si contraddistingue per freschezza, leggerezza e colore.

EYE SEE significa saper guardare il mondo attraverso infiniti punti di vista, sfaccettature e colori.

EYE SEE vuol dire saper esprimere infiniti stili e personalità ma rimanere sempre fedeli alla propria identità.

La Collezione è quindi una creazione unica che ha alla base un minimalismo essenziale delle linee e delle forme, ma che si contraddistingue per una esplosione di colori che non ha precedenti.

La Collezione è realizzata interamente con materiali "environmentally friendly", ecocompatibili, nel rispetto delle esigenze ambientali.
